Develop skills that include communication, poetry, reading, monologues, mime, dialogue and scenes.

Description

We are a team of highly qualified, culturally diverse speech and drama teachers who have offered lessons to schools around Johannesburg for the past 23 years.

By joining our lessons, learners have the opportunity to develop skills that include but are not limited to communication, poetry, reading, monologues, mime, dialogue, and scenes.

By developing effective communication skills at a young age and building self-confidence through dramatic arts we help lay the foundation for life-long success in business, relationships and personal achievement. Our classes combine the creative and playful elements of drama with the necessary skills needed to speak confidently in public, providing engaging and enjoyable lessons that have lifelong benefits.
